## TRANSPORT WARNINGS

During the transport of the HLF 5700 coffee maker it is important to avoid the following operations:

- Turning the box upside down or lay it down on its side
- Dropping the box
- Exposing it to rain, excessive cold/heat or damp places

### NOTE

Before opening the box of the HLF 5700 coffee maker, check out the packaging to be sure there is no damage. If damage is noticed, place a claim with the freight forwarder immediately.

### Check for:

- Dents or damage of the box
- Wet areas
- Signs of tampering

## INSTRUCTION MANUAL

Scan the below QR Code or click on the following link to access the instruction manual of the machine:

<https://kutt.it/IM-5700-Eng>

The instruction manual can also be consulted directly from the machine setting menu.

In order to preserve the integrity and functionality of the machine, we recommend to:

- Read carefully the installation procedure (see Ch. 3 – Instruction Manual)
- Keep the machine clean in all its parts (see Ch.4 - Instruction Manual)
- Use only authorized products as listed in the Instruction Manual (e.g. detergents)
